TO WHOMSOEVER IT MAY CONCERN

All India Council For Technical Education has notified revision of Pay scales and Service conditions for degree and level Technical Institutions. One of the criteria for the movement into the higher scales is the short term Training Programmes. The short terms training programmes are conducted by IITs, NIT, IRECI, NITTTR(IIT) and other AICTE approved Institutions for improving quality of Teachers in Diploma / Degree level Technical Institutions.

For movement to the higher grades under the earlier Advancement scheme the short term courses conducted by National Institute of Technical Teachers Training and Research (established by MHRD, Govt. of India) can also be considered.
